HAPPINESS IS 4-H

By Frank H. Sweet

Forty 4-H members have signed up for the 4-H Pine Seedling Program which is sponsored through the Virginia Division of Forestry. The 4-H Tree Seedling program provides an opportunity for 4-H'ers to learn tree planting techniques and, at the same time, begin a small stand of loblolly pines. 4-H'ers enrolled in the program are required to complete and turn in a 4-H Forestry Project record. The trees are normally delivered during the last week in March.

4-H'ers who are taking the Photography projects may be interested in the National 4-H Photo Exhibition held during National 4-H Congress. 4-H'ers may submit black and white or color prints or slides. Prints should not be larger than 8" x 10". They should express creativity in telling the 4-H story. Deadline for these is July 15, so you have plenty of time to plan your pictures.

Someone asked the other day - How many 4-H members are there in Appomattox County? The answer - about 875.

SPECIAL OLYMPICS HAVE BEGUN FOR 1978

The Run, Dribble, and Shoot Basketball competition for the Area 12 Special Olympics was held at Lynchburg College on Saturday, February 4. Five of the six winners from Appomattox County High School are shown in the above photo. The State Basketball Competition will be held March 4th in Fairfax. The Track and Field Competition will be held April 29th at Lynchburg College with a State Meet being held in early June.

There will also be a Bowling Competition August 12th at the Lynchburg lanes. All eligible Appomattox students are able to participate in these events because the doctors at the Appomattox Family Practice Center donated their time to give physicals to all interested students. Special thanks is given to Dr. J. A. Mathews, Dr. A. A. Fratrick and Dr. Ken Powell and thanks also goes to the community for support of the Olympics through donations that helped to defray costs of registration fees.

Each student participating in the Basketball Olympics competition received a Special Olympics T-shirt and ribbons along with the ribbons they won. Participants compete in feats according to age, sex and ability. Training, which began in September, paid off for the Appomattox County High School participants. Lawrence Lewis won 3rd place in the first heat of the 16 - 19 male groups and Ivan Abbitt won 2nd place in the second heat of the 18-19 male group.

In the first heat of the 16-17 female group, Carolyn Fleshman won 1st place and Gail Ragland won 2nd place. In the first heat of the 18-19 female group, Deborah Dixon won 1st place and Sheila Goode won 2nd place. Congratulations to these students.

A special thanks goes to some members of the National Honor Society for volunteering to assist with this meet Saturday. Chaperones for this trip were Mrs. Linda Taylor and Mrs. Evelyn Ford.

adopted orphan.

Also, we will have "Be Nice To Teachers Day", when the members will bake something or bring a gift to their favorite teacher to show they are thinking of them.

We feel we will have a busy week and will accomplish much in observing National FHA Week.
